Letter of Recommendation

This letter is a personal recommendation for MR Harsh Singh. He had been a member of the EDC BVUCOEP for the past 3 years and I have come to know him very well during this tenure.

He is an active member of the organization. Since the start of his membership, he has been volunteering in the organization's programs and has been a tremendous help in fulfilling the goals and objectives of the organization and help ensure its success. He has always wanted to help and work for EDC as it has always been his passion to serve the organization and I believe that he is going to be an asset for whichever organization he becomes a part of.

I am confident, he will be able to make an immediate as well as positive impact on your organization. If you have any questions or concerns about Harsh's capabilities, experience or credentials don't hesitate to text me on shashank@intellico.io.

Regards,

Shankh
